Vous pouvez acheter des max pak directement chez dicom, cela vous fera economiser de l'argent						
You can purchase max pak's from dicom, this will save you money on your shipping						
Quand tu rempli les dicom inscrivez les chiffres rond (1 ou 2 kg pas 1.5)						
When writing dicom weight on waybill please use round number (1 or 2 not 1.5)						
SVP indiquer quel type de chimie humide que vous voulez						
If you would like wet chemistry please indicate the pkg you would like						
Assurez-vous de bien fermer tous les sacs et l'emballage pour le waybill dicom						
Please make sure to close all pkgs and bags, including the pouch you put your dicom label in						
Assurez-vous de bien indiquer le nom de la ferme sur chaque echantillon
